

Buntzen Lake Hike

March 31, 2019; Hike Lead: Su-Jane Liang

There were six members on this beautiful and easy Buntzen Lake hike. It was perfect weather for this hike: sunny, low 20s with a little bit of breeze to cool us down. We started at 11am from the Buntzen Lake parking lot, reach and enjoyed our lunch on North beach at 12:10pm. We took our time to complete this hike around Buntzen lake. At 3:30pm, we arrived at parking lot and felt content. Life is good. Thanks for Carlos for driving another car.
